

Natinael Yosef Adisu

Software Engineer

SKILLS

Front-end Development, Back-end Development, Database Management, API Development & Integration, Version Control and Problem Solving

I am a full-stack developer skilled in both front-end and back-end development. I build responsive and user-friendly interfaces using HTML, CSS, JavaScript, React, and Tailwind CSS. On the back end, I work with Python frameworks like FastAPI and Flask, as well as Laravel in PHP to develop secure and scalable web applications. I have experience managing databases such as PostgreSQL, MySQL, and SQLite, and I am comfortable writing complex queries and ensuring data integrity. I also specialize in API development and integration using RESTful services, JSON, and authentication methods like JWT and OAuth. For version control, I use Git and GitHub. I enjoy solving problems, debugging code, and working in agile environments using tools like Trello to stay organized and collaborative.

To Whom It May Concern

It is with great pleasure that I write this letter of reference for Mr. Natnael Yosef, who has graduated with a Bachelor of Science (B.Sc.) Degree in Software Engineering in June 2025 from the Department of Computer Science and Engineering, College of Electrical Engineering and Computing, at Adama Science and Technology University. During his five years stay in the department, Natnael Yosef consistently proved to be one of our top students in the program. His excellent performance in the courses I taught him clearly demonstrated his capabilities. He is a hardworking, diligent, and disciplined student.

I can impressively express his ability under take tasks independently while adapting himself with hardship environment. Moreover highly motivated student, and always eager to learn new ideas and concepts. During all his years of stay in the department, he carried out his academic duties and responsibilities honestly and keenly.

As a person Mr. Natnael, Yosef friendly, respectful to colleague enthusiastic to help others. While recommending, Natnael Yosef I confirm that he is a person with sense of responsibility and I am confident that he can perform very well.

Therefore, I wholeheartedly recommend Natnael Yosef for any professional position or further training that aligns with his qualifications. Should you require additional information, please don't hesitate to contact me using the address below

Letter of Recommendation:

It is with great respect and pleasure that I write this recommendation letter for Natinael Yosef Adisu. As his instructor in the Department of Software Engineering at Adama Science and Technology University, I have had the opportunity to observe his academic progress and character development over time.

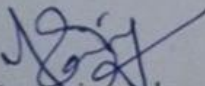

Natinael is a diligent and thoughtful student who approaches learning with curiosity and persistence. He has consistently demonstrated strong problem-solving skills, logical thinking, and a genuine passion for the field of software engineering. His performance has always been commendable, and he shows a clear desire for personal and academic growth.

Beyond his academic abilities, Natinael exhibits integrity, respect for others, and an excellent attitude toward teamwork. He engages well with peers and instructors alike, contributing positively to the learning environment.

Natinael completed his undergraduate degree and officially graduated from Adama Science and Technology University on June 21, 2025.

I am confident that Natinael is well-prepared to succeed in any professional or academic endeavor he undertakes. He will undoubtedly be a valuable asset to any institution or organization.

Please feel free to contact me for any additional information.

TO WHOM SO EVER IT MAY CONCERN

It is with genuine pleasure that I write to recommend Mr. Natinael Yosef, who was a student in my Machine Learning, Introduction to Big Data, Fundamentals of Cloud and Edge Computing courses at Adama Science and Technology University. Natinael Yosef distinguished himself not only through his outstanding academic performance but also through his commendable character, discipline, and thoughtful engagement throughout the courses.

He consistently demonstrated a high level of intellectual curiosity and focus, ultimately earning one of the top grades in the class. His ability to grasp complex concepts and apply them effectively, combined with his habit of asking insightful, well-considered questions, set him apart as an exceptionally engaged and motivated learner. Natinael Yosef, does not merely pursue academic results — he actively seeks deep understanding and mastery of the subject matter. Beyond his academic strengths, Natinael Yosef is respectful, socially mature, and collaborates exceptionally well with others. He fosters positive relationships with both peers and instructors, contributing meaningfully in group projects as well as individual assignments. His quiet confidence, discipline, and sincerity reflect a level of maturity and integrity that is rare among students.

Natinael Yosef is a well-rounded individual who possesses both intellectual strength and strong personal values. I am confident that he will bring dedication, insight, and a collaborative spirit to any academic or professional environment he chooses to join. I recommend him without hesitation and with great enthusiasm.

Please feel free to contact me if you have any questions regarding his character or past academic work at, (251)904433041 or gktiruvedula@gmail.com.
